**DEAR**

**WASHINGTON, D.C.**

Long time, no see. It's your wonderful queer neighbor to the south, and we miss you!

It seems like just yesterday that we officially came out, and guess what? We've been loving every minute of it!

We know you're busy with this whole political thing, but you know what they say about all work and no play, right?

When you're ready for a great time, remember, we're only about 100 miles away, and our door is always open.

See you soon!

Love,  
**RICHMOND, VIRGINIA**

p.s. My Pride is coming up on September 22. Just saying.
