

ROAD-TRIP'N BINGO

There's no time like the fall to drive Minnesota's scenic highways and byways. Soak in the fall colors and discover something new along the way with Road-Trip'n Bingo.

HOW TO PLAY

1

Pick up a bingo card at a visitor's center or download cards from the Explore Minnesota website at exploreminnesota.com/bingo or scan the QR code at the bottom of this flyer.

There are bingo cards for all five regions of the state!

2

Find the items shown on your card as you explore Minnesota – mark them off along the way.

3

Shout “Bingo!” when you complete a line down, across or diagonally –or make it a bigger challenge and try to find everything on your card.
