

ARTISTIC INSPIRATION: WINTER

Inspiration abounds in Aspen, but here is our top list to get those creative juices flowing.

11 am: Take the bus, drive, or get a ride out to the [Aspen Cross-Country Center](#), located at the Aspen Golf Course. Group Nordic ski lessons are offered daily at 11am and last 45 minutes. If you are already familiar with the sport, you may rent or just begin your outing from the Center. There are 90 km of FREE cross-country ski trails between Aspen, Snowmass and Basalt.

1 pm: Following your workout drive back into town and enjoy lunch at SO, the rooftop café at the [Aspen Art Museum](#). SO showcases locally sourced ingredients in an innovative rotating weekly menu.

2 pm: Once satiated wander through the galleries of the museum, presenting important and innovative contemporary art.

5:30 pm: On Tuesdays, participate in Masterpiece Mine, a wine & painting experience at the [Red Brick Center for the Arts](#). This two-hour class is relaxing and fun, includes wine & appetizers, and most importantly is open to all abilities.

Evening: After a delicious dinner or early appetizers at one of our 100 restaurants around town catch a show at the [Wheeler Opera House](#) or [Belly Up](#). Two of Aspen's famed live performance venues.
