In the newly designed Maine Quarterly, you'll hit the trail running with 5 rising-star Instagram photographers. Our inspired quintet ventured into Maine's 8 regions to capture the state at its most wild and welcoming.

So lace up your hikers and hitch a ride with Theron Humphrey, Forrest Mankins, Emily Blincoe, Ben Schuyler and Jessica Zollman as they journey into the heart of Maine – to share experiences that stir the soul. At journey's end, Emily Blincoe posted: "Maine is definitely my new home away from home." Whether you're a Mainer or a Mainer at heart, we invite you to feel the same love with these five intrepid trekkers.

CONNECT WITH VISIT MAINE

The newly designed Maine Quarterly kicks off with a captivating new feature. We sent 5 notable Instagram photographers into Maine's 8 regions to capture the state at its most wild and welcoming. So hitch a ride with Theron Humphrey, Forrest Mankins, Emily Blincoe, Ben Schuyler and Jessica Zollman as they journey into the heart of Maine – to share experiences that stir the soul.

Along with your invitation to the journey, we invite you to be one of the first to feature this dynamic and unique content. Simply help us share this media-rich experience and allow your readers to immerse themselves in the essential nature of the one, the only, the original Maine.
