

MEET THE UNEXPECTED *Buffalo*

ERIC FRICK

This guy loves introducing visitors to his hometown. So, join him for a kayak tour of Buffalo's **ELEVATOR ALLEY** or on a walk through the gardens of the **ELMWOOD VILLAGE**. He's been known to split an order of Buffalo Wings at the **ANCHOR BAR** or buy a round at one of Buffalo's **24 BREWERIES**. You may even spot him soaking in one of the wonders of the world at nearby **NIAGARA FALLS STATE PARK**.

That's the **UNEXPECTED BUFFALO** for you — *genuine, welcoming and wonderfully surprising.*

FRANK LLOYD WRIGHT'S MARTIN HOUSE COMPLEX

Buffalo's first period of incredible growth coincided with the golden age of American architecture. That's why breathtaking buildings designed by masters like **LOUIS SULLIVAN**, **FRANK LLOYD WRIGHT** and **H.H. RICHARDSON** coexist with remarkable and varied neighborhoods.

COLORED MUSICIANS CLUB & MUSEUM

One of the few remaining clubs of its kind in the country. Back in the day, the **COLORED MUSICIANS CLUB**, was the place where locals would socialize and jam with visiting giants of jazz. Today, it's a place where American musical history is alive, thanks to a new museum, concerts and jam sessions.

ALBRIGHT-KNOX ART GALLERY

The collection of the **ALBRIGHT-KNOX ART GALLERY** isn't good — it's great. Like world-class great. Extraordinary works by modern masters like **Picasso**, **Van Gogh**, and **Kahlo** hang side-by-side with art by some of the most important voices of the 21st century.
