## YOUR EXPECTATIONS ARE ABOUT TO GET A SERIOUS UPGRADE.

It's a new day here in Buffalo. We've restored our historic architecture, built new hotels, opened innovative restaurants and craft breweries, and revitalized our waterfront. There's been over **\$1 billion in new investment**, and it shows. Buffalo is fun, welcoming and endlessly surprising. To find out more, visit our website.

Better yet, come and meet the Unexpected Buffalo in person.

KAYAKING THE WATERFRONT

One of the world's largest collections of grain elevators creates an only-in-Buffalo landscape sure to leave an impression. Visitors can gawk at these man-made marvels by ascending them on an **EXPLORE BUFFALO SILO CITY: VERTICAL TOUR**, or by renting a kayak or stand-up paddleboard and venturing through "Elevator Alley."

GARDEN WALK BUFFALO

Know which city hosts the nation's largest free garden walk? We do — and it features over 400 gardens. That's right, **GARDEN WALK BUFFALO**, the **BUFFALO & ERIE COUNTY BOTANICAL GARDENS** and **OPEN GARDENS** make our city a center of all things green and growing.
